### The Nine Greatest Supreme Court Justices

The number has dropped as low as five the lowest number required by law. The bronze railings for the stairs are adorned with a classical wave pattern, rosettes, and oval medallions featuring an eagle, a symbol of the United States.

### Documentary History of the Supreme Court of the United States, 1789

Carr 1962 enabled federal courts to protect individual voting rights by intervening in the reapportionment of electoral districts.

### A History of the Architecture of the United States Supreme Court

In essence, it serves to ensure that the changing views of a majority do not undermine the fundamental values common to all Americans, i. The court somewhat later decided in 1842 in Swift v. His influence on learned men of the law came from the charismatic force of his personality, and his ability to seize upon the key elements of a case and make highly persuasive arguments.

### Supreme Court History

It mainly concerns itself with issues that border on whether they are constitutional or not. All duties and work required for the care and custody of the Supreme Court are performed under the direction of the Marshal of the Supreme Court and the AOC Facility's Manager's Office, respectively. At its greatest height, the building rises four stories above the terrace or ground floor.

### Supreme Court History

President, and later, Chief Justice was integral to the creation of the building, lobbying for its existence since 1912. In chambers, they sit around a crescent shaped judges bench in order of seniority — chief justice in the center and the eight associate justices staggered on his right and left based on their tenure on the court.

### Supreme Court of the United States

In the uppermost area of the Great Hall are repeating architectural elements known as metopes, depicting classical symbols and lawgivers. In the Insular Cases 1901 , arising out of questions concerning the status of peoples in the territories acquired as a result of the Spanish-American War, the court asserted that the civil rights guaranteed by the Constitution did not automatically apply to the people of an annexed territory, i.

#### **USA TODAY**

Oregon 1908 , the court departed from its conservative stand to uphold a state law limiting the maximum working hours of women.
