At the same time, relatively few African Americans appear to support a reduction in policing. Starting in 1968 and carrying on through the 1970s a rival series of albums were produced, however these had no connection with the television series except for its name.

Inclusion: African Americans

In theory, the Federal Reserve has unlimited capacity to influence this rate, and although the federal funds rate is set by banks borrowing and lending funds to each other, the federal funds rate generally stays within a limited range above and below the target as participants are aware of the Fed's power to influence this rate. This effectively replaced the annual Christmas edition of , which did not run that year. Alex Behan stayed as host for two years before Bede Skinner took over.
