Can there be better revenge? I was a little dubious about a female literary romance author writing a male character from a first person POV, but the Japanese soldier is believable, flawed and a little vulnerable but still mostly full of sex and violence. Originally written in French, the story is told in short, alternating chapters by two unnamed first-person narrators: the first is the title character, a teenager from an educated family on the cusp of womanhood, and her opponent at go, a Japanese military officer posing as a civilian.
