Anthony Storr

Though I must say, just because I've achieved something ONCE, it doesn't necessarily mean I can remember how I did it. Toynbee, who, as everyone knows, was a British historian whose twelve-volume analysis of the rise and fall of civilizations, *A Study of History*, 1934—1961, was a synthesis of world history, a metahistory based on universal rhythms of rise, flowering and decline, which examined history from a global perspective.

Girlfriend's Guide to Depression: Black Dog

The nickname implies both familiarity and an attempt at mastery, because while that dog may sink his fangs into one's person every now and then, he's still, after all, only a dog, and he can be cajoled sometimes and locked up other times. Starred reviews serve several functions: In the adult section, they mark potential bestsellers, major promotions, book club selections, and just very good books; in the children's section, they denote books of very high quality. The role will be demanding.

Guides to Understanding Creativity

Yet that is what was done here in New Zealand and still is. In his final book *Feet of Clay; Saints, Sinners, and Madmen: The Power and Charisma of Gurus* 1996 Storr tracks typical patterns, often involving that shape the development of the. Determined to keep the Hokianga identity alive within any larger grouping, people like my parents resisted and roundly rejected the initial amalgamation proposal that wanted to split them and put North Hokianga in the Kaitaia Ward, South Hokianga in the Kaikohe Ward.

What does it mean to work both with and against Jung's ideas? And, believe me, this crowd will not be averse to seeing blood on the ground if or when the bike and its riders wipe out. Suffice to say that I'm learning that I still have some lessons to learn before I can truly say that I've broken the habit of being hurt and hurting back.

hikoi diary: 2007

While his wife Catherine Peters wrote outstanding literary biographies of William Thackeray and Victorian writer Wilkie Collins, Storr stayed with the psychobiographical vignette in the service of theory, because it was how he thought. Why does the black dog in this dream show its teeth? It turned out to be a horrific ride for us both.
