

# What is determining international competitiveness in the global pulp and paper industry? - proceedings, third international symposium, September 13-14, 1994, Seattle, Washington.

University of Washington, College of Forest Resources, Center for International Trade in Forest Products - Proceedings of the Third Annual National Multi

Description: -

- Pulpwood industry -- Congresses.
- Paper industry -- Congresses.
- Wood-pulp industry -- Congresses. What is determining international competitiveness in the global pulp and paper industry? - proceedings, third international symposium, September 13-14, 1994, Seattle, Washington.
- Special paper (University of Washington. Center for International Trade in Forest Products) -- SP-17.
- SP -- 17.What is determining international competitiveness in the global pulp and paper industry? - proceedings, third international symposium, September 13-14, 1994, Seattle, Washington.

Notes: Includes bibliographical references.

This edition was published in 1995
