**Idaho Big Game Hunting / Guided Hunts / Elk Hunting / Mystic Saddle Ranch**

Cliffs above lower Scenic Lake. This generally requires split shot.

**Nez Perce**

Some choose to ride this loop in a day and forgo the plethora of swimming holes. Steelhead fishing can be combined with these trips. This way we will get the pavement out of the way and save the big climbs for the end! Rubber Rapid at 3 Feet Mile 93.

**Northern Idaho Vacation Getaway Deals: Whitebird Summit Ranch**

Both routes come back together at the intersections of Humbug Rd. Do not walk through the area where others are fishing. It climbs up and meets the long route again 9 miles later, 32 miles into the short route.

**Rafting Middle Fork and Main Salmon Rivers**

Keep in mind that Etna summit is just shy of 6,000 ft. The closest public restroom is the Chevron fuel station. If you would like to join us for a day on the river, we will be up in Pulaski from October 4th through the 9th, get in touch with me and we will make arrangements to hook up.

**River Floats**

Some cement foundations remain in and around the campground.
