Goodson-Todman in 1983, shortly after Mark Goodson formed his own production company, Mark Goodson Productions, after the death of his partner Bill Todman. The live nature of television and relatively young age of the people involved in its development afforded certain level of exuberance, edginess, debate and criticism.

At this time, Another very successful television adaptation was the adaptation of 's 1949 novel Igbo Olodumare. Skutch left

## **I Remember Television: A Memoir by Ira Skutch**

The limits of mechanical television inherently meant that these productions were extremely primitive; The Television Ghost, for example, consisted entirely of a 15-minute monologue of a single actor, with the only visual shot being the actor's head. Please contact Find a Grave at if you need help resetting your password. Ira Skutch September 12, 1921 — March 16, 2010 was an American television director, producer, and, in his later years, an author.
