Functional behavioral assessment involves employing a diverse array of strategies e.

### Time Management

Grading students, from A to F, has become synonymous with education itself. The Eisenhower Method is a strategy used to compete with worry and dull-imperative tasks. In attempting to juggle various domains of life—work, home, , hobbies—it is important to establish clear and priorities in order to set aside non-essential tasks that can eat up time and to monitor where the time actually goes.
