The leaders of these countries typically enjoy absolute personal power. However, relationship between CEO and an auditor who is appointed annually to conduct audit of the company accounts is a specific duration task Duty or responsibility may be in terms of functions, targets or goals. Individual Initiative Reduced to a Minimum And this applies not only to men of rare and exceptional greatness, but to a wide range of talent.

Authority and the Individual

Senior citizens are willingly offered seats in crowded buses and trains; no one minds their jumping the queue to visit a doctor, or to withdraw money from bank. Legitimacy is vital to the notion of authority; legitimacy is the main means by which authority is distinguished from more general notions of power.

Politics, Power, and Authority

Authority: There are any limitations to the concept of authority. While the former is exercised in a personal capacity, the latter is used in a professional capacity.

Authority and the Individual on Apple Books

What exists now in the US is more or less contained anarchy, where people follow laws occasionally and begrudgingly, and feel no responsibility to society, as society acts as little more than a cage or maze, restraining and directing individual impulses towards acceptable goals.
