She was a regular exhibitor with the RHA and Watercolour Society of Ireland. In time, he turned a more seri.

**British Art**

After spending many years of traveling back and forth from Alaska to here blowing glass in both places I now call this home! The inference of soft comfort is rendered in the solidity of polished metal, the couch accommodating the whole family and its needs, equally a source of feminine disquiet. He donated his body to science. In 2008 he was elected an associate member of.

**Uncategorized**

Working in sculpture, film and photography, Cross examines the relationship between living beings and the natural world.
