The History of the King's School, Grantham: 660 Years of a Grammar School. S. J. BransonÜber die Gravitation...: Texte zu den philosophischen Grundlagen der klassischen Mechanik. Isaac Newton, Gernot Böhme

Foxe was born and raised locally.

The King's School, Grantham

This amount includes applicable customs duties, taxes, brokerage and other fees. Commonly, boys would attend between the ages of eight and fourteen. Today The King's School has just over 1000 boys as pupils, and has been a selective state since the implementation of the.

The King's School, Grantham

Indeed, before the expansion of the twentieth century, the School would rarely have had more than sixty scholars at a time. In 1988, a comprehensive illustrated history of the School was published by former King's School mathematics teacher, S J Branson: The King's School Grantham — 660 years of a Grammar School.

The King's School, Grantham

The original King's School building. A replica of the signature is on display in Grantham Museum. The first women teachers were employed in 1915 on equal terms as the male staff.

The King's School, Grantham

A Drill Master was employed from around 1860 which began the teaching of Physical Education at the School and paved the way for the School Cadet Corps which was established in 1904. When Henry took the as Henry VII, Foxe became his secretary, and later founded 1517 and 1522.

The King's School, Grantham

Our war memorial commemorates over forty ex-pupils and staff who lost their lives in the service of our nation. If this is a hard cover, the dust jacket may be missing. As was customary in his time, he carved his signature on the wall of what is now the school library, although the signature has never been confirmed as authentic; visitors from around the world come to view this indication of Newton's education.
