**To Love a Soldier: God, Country, Family**

I keep this book handy on my desk as a reference because of the incredible information found therein. Like the watchman on the tower referred to in the Bible, it is our task to warn others of the darkness. I like that this book was a call to better ourselves in all three areas and has moti I enjoyed this book and would recommend it to others.

**God, Family, Country Shirt**

I married a man that makes me so very proud to stand beside him because of the father and the husband that he is. I really enjoyed this book.

**The Way It Is: God, Family, Country. In that order. How about you?**

The chapters relating to Country were of particular interest to me. He carries enough guilt in his heart already.
