**To the IRS, not all real estate professionals are created equal**

Given the complexity of the industry, most of us are participating in the revolution without realizing it.

**Technology in 'New' Real Estate**

Or just use it to stream video to buying clients of yours. This can even happen

when temporary circumstances cause all aircraft in the area to be grounded. Here are the top technology tools and apps that they recommended.

## Real Estate

Note, however, that as required by Sec. You could use this to broadcast a virtual open house of a listing to remote buyers.

## Top 6 Technology Resources for Real Estate Professionals

Real estate has always been an industry dependent on technological developments, but the past few years have held some major breakthroughs. Note that qualification as a real estate professional is not elective; however, before 2013, taxpayers with rental income and no net loss were largely indifferent as to whether they qualified under Sec.

## Real Estate

A significant participation activity is a trade or business in which the taxpayer participates for more than 100 hours during the tax year but does not materially participate in under any of the tests in Temp. The court held that the teaching hours were not reasonable and that the taxpayer also grossly overstated his rental hours, sometimes recording more than 24 hours in a day. Real estate tasks such as emails, , online chat, invoice
