Heves Kuşu Durmaz Döner

Ever lined your paint trays with foil!?!?. Sanem tries to adjust her new work life but she gets her nose into trouble all the time. Luckily, before we drilled a new hole the next day, we realized that our door would have looked really goofy with this handle.

Daydreamer (Erkenci Kus) (Demet Ozdemir & Can Yaman)

A True Love Story: The Tale of the Turquoise Door

They were a dynamic duo and dominated the audience ratings for over a decade. When I spoke to the paint lady do they have an official title?? When Can learns that his father has some health problems, he accepts to run the company in his absence.

A True Love Story: The Tale of the Turquoise Door

He has devoted all his time for the company while his brother Can is abroad.

A True Love Story: The Tale of the Turquoise Door

However, the story-line is addictive and the other actors, screen writers and director are obviously very talented, too. .
