Catholicism and the Ten Commandments

Remember the Sabbath Day to keep it holy. Desire for true happiness frees man from his immoderate attachment to the goods of this world so that he can find his fulfillment in the vision and beatitude of God. This threatens the family structure and makes children believe they are their own boss, a dangerous misconception that will harm them in their workplace, marriage, and worldview.

Tenth Commandment: Thou Shalt Not Covet Analysis

Coram Deo The answer to covetousness is not the absence of all desire, as in Buddhism, but rather the cultivation of contentment 1 Tim.

Ten Commandments List

Thoughts that are wrong must be brought under control.

The True Ten Commandments

Hey Honor your mother and father. People want to look good in the sight of others and covet the earned reputation of respected people, so they besmirch character and lie about their own accomplishments. Lust and excessive desire run uncontrolled in the hearts and minds of many.

EXODUS 20 NIV

We preach to men to give freely to Christ's poor; but covetousness makes them like the man in the gospel, who had a withered hand. Thou shalt not make unto thee any graven image. Therefore the LORD your God has commanded you to observe the Sabbath day.

A Guide to the Ten Commandments

What means should we use to keep us from coveting that which is our neighbour's? But He promises grace and every blessing to all who keep these commandments. Today it is not, but common listings of the Ten Commandments fail to take this into account.
