These regulations mandate provision of special education services including an individualized educational program to be carried out in the least restrictive environment, a comprehensive diagnosis of each child's disabilities by a qualified professional team, an annual review of each child's progress, and the involvement of parents in educational decisions. Many of our graduates have progressed in their careers as school principals, superintendents, college professors, and researchers. Because classification of this group of students does not exist in educational databases, estimation of numbers is difficult.
