8 of the greatest challenges facing higher education in 2020

Ensuring students stay loyal to their first-choice institution will become more important as part of recruitment strategy planning; working out how to take market share from competitors especially over clearing will be a whole new battleground for the sector.

5 Key Challenges Facing U.S Higher Education

The idea is to give students advance notice so that they can psychologically prepare themselves. Sometimes we lower our expectations of students because of the background they come from, and other times we hold unreachable expectations because we believe our students are too coddled. I have spent the better part of 2019 on the road traveling across the U.

Issues in Higher Education

JC: It has been striking to see how important accommodation has become for students making their choice of university.

Not just issues in higher education a problem for chiropractic in the midst of COVID

Not only are universities forced to transition all on-campus classes to a virtual setting, but they are also faced with concerns around enrollment, finances, and student support.
