Collected Poems (1914

If they groom their long feathers with their beaks And drop one of them, it floats a long time Before it reaches the bottom of the lake And brushes someone's face, bringing news From a world that is bright, beautiful, warm, and free.

Milosz is one of my favorite poets. Fuck the stratification of language.

Collected Poems

I just found most of his poems dated, unnecessarily graphic, or dull. One makes this point not to convict Graves of taking advantage of that concatenation of wire-pulling and quiet words known to Englishmen as the Old Boy Network, but to establish that the outsider status he sometimes seems to be canvassing in his pronouncements about art and literature, let alone in his personal relationships, is largely bogus. The covers are in good shape with faint spotting on cover.

Collected Poems by Czesław Miłosz

The first set of notes oddly comes after the 10th collection.

Some of Ginsberg's poetry hits that right balance between explosive, thoughtful, and resonates. That bridge leads to the shore of Reversal Where everything is just the opposite and the word is Unveils a meaning we hardly envisioned. آمریکا حالا می خواهم شعرهایم را به تو بفروشم، هر شعر می شه As the poet and دلار پنجاه دلار آتیش زدم به مال ام شعرهای قدیمی ات تام مونی رو آزاد کن دیگه این همه سرسپرده و مزدور را نجات بده ساکو و ونزتی نمیرندها critic David Mason has observed, These are poems by a man of the world who has seen and studied much and has apparently lived with gusto.
